

CT5

CT5

Start a new journey in a spirited luxury sedan that inspires confidence behind the wheel and turns heads on the roads. Make an entrance with expressively styled and boldly designed lines from every angle. Stimulate your senses in luxurious surroundings with an intuitively designed interior that features a perfect balance of sporty and sophistication. Enjoy exhilarating performance with excellent efficiency and unrivaled power and innovation at the tips of your fingers.

*DISCOVER THE ALL-NEW 2021 CT5*

# UNRIVALED DRIVING PLEASURE

The all-new Cadillac CT5 is a spirited luxury sedan engineered and tuned to create the optimum balance of comfort and performance. For an exhilarating experience that makes your heart race, even when you're not driving it.

**Sport Meets Luxury.** Dynamic sporty carbon fiber and glossy metallic elements weave artfully through the driver-focused interiors of the CT5, ensuring you enjoy the most unrivaled driving experience.

**Assertive and Dominant.** Make your mark in the 2021 CT5. Every detail has been carefully crafted to ensure you stand out, from the Brembo® Front Brakes to the Dual Exhaust Tips, and dark exterior accents - the CT5 both looks and plays the part of the ultimate luxury sedan.

# GO FROM THE RACETRACK TO THE ROAD

Enjoy peak performance and striking style in the 2021 CT5-V.  
Dynamic from start to finish, this sporty sedan packs a powerful  
punch and will have heads turning wherever you go.

# LOOKS THAT MOVE YOU

The all-new CT5 is a peak into the future of luxury sedans. Its stunning exterior lines accented by the fastback profile and engaging Rear Wheel Drive (RWD) silhouette gives it the aggressive look that makes it stand out. The wheels of the CT5 are pushed to its corners to not only maintain a low center of gravity, but also to optimize the body-to-wheel relationship. The signature grille on this luxury sedan provides it a premium edge and makes it a true masterpiece.

# SOPHISTICATION IN MOTION

Like every Cadillac, the CT5 is built with utmost precision, inside out. Every element in the CT5 comes together in harmony. This handcrafted interior speaks understated luxury and sophistication in every way possible. Be it the Leather-wrapped luxury steering wheel with paddle shifters or the metallic décor trim; the CT5 welcomes you to a world unlike any other.

# YOUR CADILLAC – CONNECTED AND PROTECTED\*

Take ownership to the next level with 10-years of standard connectivity offering Vehicle Diagnostics, Notifications and Cadillac Smart Driver once on-boarded. Includes a 2 month trial of the OnStar Protect & Connect subscription plan and 3GB/90 day Wi-Fi data. Take advantage of an additional month by subscribing before the trial ends.

## OnStar - Peace of Mind

Safety and security services to give you and your passengers peace of mind on the road. Specially trained Advisors who are ready to help 24/7.

### AUTOMATIC CRASH RESPONSE

Timing is everything in the moments after a collision. If you're in a crash, built-in sensors can automatically connect an OnStar Advisor to your vehicle — even if you aren't able to call for help yourself. They will send the right help and stay with you until help arrives.

### EMERGENCY SERVICES

Assistance in an emergency is only a button push away. Whether you're having a medical emergency or need critical assistance, OnStar Advisors will be available 24/7 to help.

### STOLEN VEHICLE ASSISTANCE

Layers of protection for your vehicle that help make vehicle theft much more difficult. OnStar Advisors who can work with local authorities to recover your vehicle quickly and safely.

### ROADSIDE ASSISTANCE

If you have a flat tire, run out of fuel or find yourself stranded, Advisors can assist with your details to get you the right help.

### GOOD CITIZEN

You can use OnStar to be a good citizen and help others in time of need.

## Cadillac Connected Services – Convenience

Designed to create a seamless bridge between your Cadillac and your connected life. Remote commands, In-Vehicle Apps access, Wi-Fi hotspot and diagnostic tools offer you an elevated ownership experience.

### REMOTE KEY FOB

While on the go, keep your vehicle in tune with the myCadillac App. Send remote commands, schedule your vehicle's maintenance and more. Available for download on App Store or on Google Play™.

### HOTSPOT

Your available built-in Wi-Fi hotspot\* helps you stay connected on the road. Connect up to seven devices and get a reliable connection up to 15 meters away.

### CONNECTED NAVIGATION

When it's time to get going, you want to get there without any hiccups. And now with available cloud-connected point of interest, destination searches & real-time internet-based traffic updates, you easily can.

### DESTINATION DOWNLOAD

Enjoy the convenience of an OnStar Advisor helping you find where you need to go and sending the destination pin to your vehicle, while you keep your eyes on the road.

## INNOVATION AHEAD OF ITS TIME

A futuristic design demands futuristic technology. This is why the CT5 is equipped with adept features like an Advanced Infotainment System, Wireless Android Auto™<sup>3</sup> and Wireless Apple CarPlay™<sup>2</sup>, a 10-inch diagonal color information display, center console rotary controller with jog function, steering wheel controls, dual-mic cloud-based natural voice recognition (English Only), and Wireless phone charging<sup>1</sup>. The available high-definition 12-inch diagonal instrument cluster<sup>4</sup> is reconfigurable with different themes, including a traditional Tour theme, a performance oriented Sport theme, Track theme for the CT5-V only, and the dark, minimalist Stealth theme. Once drivers select a theme, they can change the information displayed in each zone of the cluster. The CT5 makes driving an absolute pleasure and keeps you connected with your world; all with just the touch of a button.

# 12"

Requires compatible iPhone® and data plan rates apply. Apple CarPlay is a trademark of Apple, Inc. Siri, iPhone and iTunes are trademarks of Apple, Inc., registered in the U.S. and other countries. <sup>3</sup>. Vehicle user interface is a product of Google™ and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android™-compatible smartphone. Android Auto is a trademark of Google LLC. <sup>4</sup>. Available only on Premium Luxury, Sport and V-Series trims, included with available Technology Package.

# VISION DRIVEN BY INNOVATION

## ALERT MODE. ALWAYS ON

Up to certain speeds, Automatic Emergency Braking can sense imminent forward and reverse collisions and automatically engage the brakes, helping to reduce crash impacts.

## COMFORT LEADS THE WAY

Available Adaptive Cruise Control as part of the Driver Assist and Advanced Security Package, employs both radar and cameras to maintain a set selected distance between you and the detected vehicle ahead while you steer.

## FORWARD THINKING AT ITS BEST

Forward Collision Alert monitors traffic ahead, alerting you if a potential frontend collision is imminent, while the Following Distance Indicator shows the following time to the detected vehicle ahead (in seconds) in the Driver Information Center (DIC).

## EXTRAORDINARY ALL-ROUND VISION

When backing out of a parking space, Rear Cross Traffic Alert, standard on Premium Luxury, Sport and V-series, warns of oncoming traffic to either side of your vehicle and provides an audible warning or a pulse to the Safety Alert Seat.

## STAYS IN-LINE WITH YOU

Using monitors to sense lane boundaries, the available Lane Keep Assist with Lane Departure Warning as part of the Driver Awareness Plus package, can gently turn the steering wheel if the

system anticipates the vehicle is leaving the lane unintentionally or without using your turn signal. The system works in conjunction with the Safety Alert Seat, showing a visual alert in the cluster and sending a warning pulse through the seat cushion when your vehicle crosses the detected lane marking.

## SEES WHAT YOU DON'T

Lane Change Alert with Side Blind Zone Alert, standard on Premium Luxury, Sport and V-series, surveys the area well beyond the side blind zone, illuminating the side-mirror warning icon to alert you of a rapidly approaching vehicle and monitors your blind zones, so if a moving vehicle is in the adjacent lane, it also illuminates the side-mirror icon. In both cases, if you've activated your turn signal toward the detected vehicle, the icon on the side mirror will flash to alert you.

## KEEPS YOU SAFE AND EVERYONE AROUND YOU

Standard Front Pedestrian Braking uses a camera to scan the road ahead. The system can alert the driver to detected pedestrians and, if necessary, can apply the brakes to help avoid or reduce the severity of a potential collision. When in reverse and after the Standard HD Rear Vision Camera is displayed, Rear Pedestrian Alert, Available on Premium Luxury, Sport and V-series, can provide pedestrian detection and imminent collision alerts to the driver when a pedestrian is detected behind the vehicle.

## A HIGHER LOOK AT WHAT SURROUNDS YOU

Available HD Surround Vision, as part of the parking package, provides a bird's-eye view of the area immediately surrounding the vehicle when in low speed drive or reverse. This view, projected onto the Cadillac user experience screen, helps increase your awareness during low-speed maneuvering.

## AUTOMATIC CRASH RESPONSE\*

In severe crashes, built-in vehicle sensors can automatically send an alert to OnStar, and a live Advisor is automatically connected to the vehicle to speak with its occupants.

## STOLEN VEHICLE ASSISTANCE\*

Working with local authorities, a Remote Ignition Block signal can be sent to a stolen vehicle, preventing it from being restarted once the engine has been turned off.

Once local authorities have clear sight of the vehicle and indicate conditions are safe to do so, an Advisor can activate Stolen Vehicle Slowdown, bringing the vehicle to an idle speed with steering and braking functions intact.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

# ENGINEERED TO EXHILARATE

Very little compares to the pleasure of driving the Cadillac CT5. This 2.0L turbocharged 4-cylinder engine with a 10-speed automatic transmission is as responsive as it is fuel efficient. The CT5 offers you Drive Mode Control where you can personalize your driving preferences and enjoy every drive to the fullest.

The CT5 is a complete driver's car with exceptional handling, improved ride control, and electronic limited-slip rear differential, standard on V-Series and available All Wheel Drive (AWD), only available with Luxury trim. Think of the complete sedan. Think Cadillac CT5.

Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. <sup>7</sup>. Not compatible with all devices.

## OWNER BENEFITS

Our owners deserve it all. That's why 2021 vehicles are backed by a comprehensive suite of owner benefits. To learn more, visit [cadillacarabia.com/ae-en/owner-resources](https://www.cadillacarabia.com/ae-en/owner-resources)

### AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

### ENGINES

Cadillac products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes and models.

### ASSEMBLY

Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

### A NOTE ON CHILD SAFETY

Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

### TRAILERING AND OFF-ROAD DRIVING INFORMATION

Please go to [cadillac.com](https://www.cadillac.com) and carefully review the vehicle Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

### IMPORTANT WORDS ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Cadillac dealer for complete details. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle eatures may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid-Lux Car segment and latest available competitive information. Excludes other GM vehicles.

### FLEET ORDERS

Some standard content may be deleted on fleet orders. See dealer for details.
